

UNIVERSITY
TECHNICAL COLLEGE BOLTON

Dear Parent

The Start of our Academic Year & Eid-al-Adha

Unfortunately, the opening of UTC Bolton this academic year has coincided with the dates announced for Eid-al-Adha late last week. We feel that closing the school at this pivotal time in your child's journey would be detrimental to their transition in joining our family or starting in their most important terminal examination year. Consequently, UTC Bolton will remain open on Monday 12th September 2016.

I trust that you will support the UTC's decision and ensure that your child attends school that day.

Yours faithfully,

Mr David Goddard
Principal
