If given the opportunity, I will take this responsibility whole heartedly.

I wish to act as a parent governor as I have had the opportunity to hold this post elsewhere and would relish the chance to continue this with UTC. As my daughter is in year 10 I would hope to remain in place throughout her term at UTC, and so would be able to offer continuity on the governing board alongside my desire to support the college.

I hope my passion for championing diversity in education will be of benefit to the college and my personal skills can enhance that of the existing board.

Please rate in preference order 1/2/3/4/5/6. Please note 1 is the highest and 6 is the lowest.

An Individual - I am a well organised, reliable and a commercially aware individual with a wealth of experience in both large and small organisations. Both education and work experience over the years has allowed me to work to tight schedules in a pressurised environment. I possess a good sense of humour and communication skills. I am both self-motivated and proactive with a thorough methodical approach. I am able to work independently or as a team in a professional manner.

A Communicator - Debates, travel, work experience of dealing with the public, together with business seminars have developed my confidence in public speaking and shown me the importance of good communications skills. No less important has been my ability to express myself clearly on paper and work.

An Enthusiast- I have always put considerable energy and enthusiasm into any and all my activities, believing that this is the only way to achieve worthwhile results. I try to live up to the pressure of the occasion, making sure I meet deadlines and the targets which have been set for me or which I have set for myself.
