

UNIVERSITY
TECHNICAL COLLEGE BOLTON

Staff Governor Nomination

Wednesday, 02 November 2016

Name: Mr I Ball

I hope it is very evident that I am very passionate about the success of UTC Bolton and for the students who come through our door. I can also bring experience to this role as I am currently the Chair of Governors at Euxton CofE Primary School. Therefore, I am very able to balance the needs of staff with the full understanding of the day to day running of a school.

Please rate in preference order 1/2/3. Please note 1 is the highest and 3 is the lowest.

Name: Mr J Dickson

I would love to be a governor combining my 20 years' experience in teaching and school management with my passion for the principles of the UTC. I want to become more involved in the UTC by supporting, challenging and working with senior management for the future success of the UTC, its staff and its students.

I am confident and competent in group situations and could both represent the staff to the governors and ensure the governors' decisions were effectively communicated to staff. As a positive, approachable, honest communicator I believe I would be an asset to the staff and to the governors.

Please rate in preference order 1/2/3. Please note 1 is the highest and 3 is the lowest.

Name: Mr M Toole

I have served as a staff governor for the last year, when UTC Bolton first started to accept students through its doors. I believe that the journey to outstanding has only just begun and that an effective governing body is a crucial element needed for us to achieve this goal. I have enjoyed my time as a governor but feel that there is much more work to be done to ensure the success and sustainability of our college. I would appreciate the opportunity to continue the task as staff governor.

Please rate in preference order 1/2/3. Please note 1 is the highest and 3 is the lowest.

Name: Mr D Chapman

I've nominated myself as staff governor to ensure the voices and opinions of staff working at the UTC are heard, valued and highly regarded. UTC Bolton plans to become an 11-18 Academy. How will this conversion impact our current vision, culture, working environment and staffing contractual obligations / terms and conditions? By nominating myself to become an elected staff governor, I will assure those who voted for me to be your active voice, with even greater levels of influence, diplomacy, and accountability. Our core strengths and UTC values should not be negotiated or deviated away from their original intended purpose.

Please rate in preference order 1/2/3. Please note 1 is the highest and 3 is the lowest.
