

UNIVERSITY
TECHNICAL COLLEGE BOLTON

Dear Parent,

I trust that you have enjoyed a restful summer. After very successful A level and GCSE results days, I have more good news to share with you today about our extremely talented students.

A-Level Results

A level results day was an incredibly exciting day at UTC Bolton as our Year 13 students collected their results. We are delighted to announce that our students' hard work was reflected in their grades. Our students achieved a 100% pass rate in many subjects including English, Maths, Computer Science, Chemistry, Geography, Further Maths and Applied Science, with 98% of students achieving three A* - B equivalent grades in Applied Science.

Many of our students are now progressing onto University or apprenticeships to pursue careers in health sciences and engineering. Congratulations to all our students including:

- Sufyaan Ibrahim who has secured a place at the University of Liverpool to study Medicine.
- Anam Saleem who will be studying Audiology at the University of Manchester.
- Munibah Gangat has also been awarded a place at City University of London to study Optometry.
- Nabeelah Patel will be pursuing a career in Law at the University of Central Lancashire.

We are immensely proud of our first cohort of Year 13 students. I am confident that they will succeed in whatever they choose to do next and I would like to wish them the best of luck in their future careers. I would also like to take this opportunity to thank both our teaching staff who have worked tirelessly to ensure that our students fulfil their potential and also the parents of our Year 13 students for their support throughout the past academic year.

GCSE Results Day

UTC Bolton is also pleased to announce exceptional GCSE results from our first cohort of Year 11 students. Staff and students are delighted and very proud of these superb results. We are proud to share our results as follows:

UNIVERSITY
TECHNICAL COLLEGE BOLTON

- UTC Bolton achieve 68.1% Maths and English Grade 4+.
- Six students secured a cumulative total of 47 A - A*(7-9) grades between them.
- 100% pass rate achieved in Triple Science.

New Term Information

We are looking forward to the start of a new academic year and more academic successes. Please note new term joining dates and times below:

- Year 10 and Year 12 students start on Monday 4th September @ 9am
- Year 11 and Year 13 students start on Thursday 7th September @ 9am

Kind Regards,

Liam McDaid

Principal
